

Teen's Summer Reading Program

The theme for our Summer Reading Program this year is "Color Our World"! Prizes will be awarded to the participants that log the most minutes between June 28th and August 16th, 2025.

- 1st Prize: \$50 Gift Certificate for Target
- 2nd Prize: \$25 Gift Certificate Lakewood Golf Center
- 3rd Prize: \$15 Gift Certificate for Big Tree Ice Cream

There are two ways that you can log minutes

Option 1: Place one sticker on your reading log for every 20 minutes of reading. A full sheet represents 1000 minutes. If you fill a sheet before the end of the summer, ask us for another one!

Option 2: Register online with **READsquared**, an online platform where you can work on different activities, earn badges, and log your reading minutes. Follow this link to begin: <http://lakewoodlibraryny14.readsquared.com/>
